

# USC Law supports all students.

**USC Law is firmly committed to a policy against discrimination based on ethnicity, national origin, disability, race, religion, political beliefs, gender, sexual orientation or age.**

[USC Law Nondiscrimination Policy]

**USC is a multicultural community of people from diverse racial, ethnic and class backgrounds, national origins, religious and political beliefs, physical abilities and sexual orientations. Our activities, programs, classes, workshops/lectures and everyday interactions are enriched by our acceptance of one another, and we strive to learn from each other in an atmosphere of positive engagement and mutual respect. ... All who work, live, study and teach in the USC community are here by choice, and as part of that choice should be committed to these principles, which are an integral part of USC's focus, goals and mission.**
