

Hike Information
Fall 2011

When: Saturday, September 10, 11AM

Where. Meet at George F. Canyon Nature Center at 11 AM. The Nature Center is at the southwest corner of Palos Verdes Drive North and Palos Verdes Drive East. Directions are on the next page

After the hike, there will be an informal reception at my house, 7 Southfield Dr., Rolling Hills, CA 90274. You can follow my car to get there. I have also appended directions from the Nature Center.

Carpools. The appended carpool sheet is only suggestive. Please confirm any carpool plans with those you want to carpool with. The proposed driver is highlighted.

Other information:

My cell phone number is 310 626 7254. If you are running late, please call me. If you don't reach me, please try calling someone else in the class. See the Carpool List for cell phone numbers.

My home number is 310 544 6773. If you get lost driving to my house, please call that number.

Spouses, boyfriends and girlfriends, significant others, and other family members are welcome to join the hike and reception.

Dogs are allowed, if they are on leash.

Wear sensible shoes. The trail is relatively smooth, so sneakers should be fine. Some people might find hiking boots more comfortable.

Bring hat and sunscreen, if it is sunny.

It can be 5 to 10 degrees cooler in Palos Verdes than at USC, so dress appropriately.

My wife is Lisa Klerman. She is a mediator, and she directs the USC Mediation Clinic. She used to be a partner at Morrison & Forster, where she practiced employment law.

My kids are Jerry (10) and Alex (almost 8; his birthday is Sunday).

My cat is Jamie. He is friendly.

Directions to George F. Canyon Nature Center

Southwest corner of Palos Verdes Drive North and Palos Verdes Drive East
27305 Palos Verdes Drive East
Rolling Hills Estates CA 90274
310-547-0862

These directions assume you are coming from USC Law School. If you are coming from elsewhere, you may want to make appropriate adjustments or email me for advice. To calibrate your time, if you were coming from the Law School, it would take you about 35 minutes to get to the George F. Canyon Nature Center.

Take 110 South almost to the end

Exit at Anaheim St.

Turn left onto Figueroa at the end of the offramp

Turn right onto Anaheim St. at the first light

Drive 1.1 miles on Anaheim St.

Make a 90-degree left turn onto Palos Verdes Drive North at the 5-way intersection of Anaheim, Vermont, Gaffey, and Palos Verdes Drive North. This intersection is not well marked. You want to be going up the hill which is to your left.

Drive 1.8 miles on Palos Verdes Drive North past Western Ave.

Turn left onto Palos Verdes Drive East, BUT YOU WON'T BE GOING MORE THAN A FEW FEET ON THIS STREET.

Make an immediate right into the parking lot of the George F. Canyon Nature Center. The Nature Center is at the corner.

Directions to the Klermans' House

7 Southfield Dr., Rolling Hills, 90274

310 544 6773

Getting to my house is a bit tricky, so I suggest you follow me.

Exit the George F. Canyon Nature Center parking lot at the opposite end from which you entered. That is, exit at the west end of the parking lot.

Turn right onto Hitching Post Dr.

Make a left turn onto Palos Verdes Drive North. Note that this is a dangerous turn, as you are crossing several lanes of traffic. It is legal, but please be careful.

Drive 1 mile on Palos Verdes Drive North

Turn Left at Portuguese Bend Road. The sign to your right will say "Rolling Hills Road."

Stop at the gate. Tell the gatekeeper your name and that you are visiting the Klermans at 7 Southfield Drive.

Drive 1.8 miles on Portuguese Bend Road

Turn left at the top of the hill onto Crest Road

Drive 0.6 miles on Crest Road

Drive 0.3 miles on Southfield Drive.

Turn right onto Ringbit Rd. West. If there are 4 or more people in your car, you may go down the driveway. Otherwise, please park on Ringbit Rd. West. It is best to park on the dirt shoulder rather than the asphalt.

To get to our house, from the corner of Southfield and Ringbit Road West, turn right onto the first asphalt driveway, which is marked with a sign that says "Klerman Family, 7 Southfield Drive." The first part of our driveway also serves 1 Ringbit West. Our driveway is asphalt. The neighbors' driveways are concrete and/or stone. Stay on the asphalt.

Proceed about 300 yards. You will pass our neighbor's house, garage, and stable on your right, and then descend sharply. Our house is at the bottom of the driveway.

If you are parking near the house, please park with the front of your car facing the concrete retaining wall and pointing up the hill. Also please park as far away from the garage door as possible.
